14. From this study, write out your own definition of prayer. \_\_\_\_\_

It has been said that if God's people don't pray, God doesn't work. God desires to be exalted and glorified before the world. The life of a Christian who lives by prayer and the answers God gives is an irrefutable example to an unbelieving world of God's reality, power, and love. Purpose to become one of God's 'prayer warriors' and live a life explainable only in terms of God.
